PIECING INSTRUCTIONS:

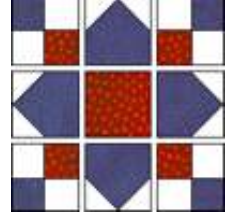

1. Place a Colour 2 square right sides together and outer edges aligned with upper left corner of a Colour 3 square. Lightly draw a diagonal on the back of the small square and sew **ON** the line. Cut off the excess seam allowance, pressing the remainder toward the corner. Repeat this with another Colour 2 square on the upper right corner. Make four units. Trim if necessary to measure 4 ½" x 4 ½".

2. Sew together a Colour 2 and Colour 3, 2 ½" x 10" strip along one long edge. Press to darker side. Cut this apart at 2 ½" intervals, making four units. Repeat this with the last Colour 2, 2 ½" x 10" strip and the Colour 1, 2 ½" x 10" strip to make four more pieced units. Now sew together one of each four patch. Press seam to one side. Make four units. Trim if necessary to measure 4 ½" x 4 ½".

3. Lay out all units as shown and sew together.
